## Church Announcements for Sabbath December 3, 2022

“The gold and the silver are the Lord’s; and He could rain them from heaven if He chose. But instead of this He has made man His steward, entrusting him with means, not be hoarded, but to be used in benefiting others.” Ellen G White, Review & Herald, October 3, 1907, par.11.

Stewardship is about more than “the gold and the silver”. There are more than 2,000 verses in the Scriptures that deal with money and possessions and our attitude toward them. God gives practical instructions on how to live above the stresses of life and to manage in financially faithful ways what we have been given. The goal of Christian Stewardship is the prayerful and careful management of God’s resources and the sharing of everything that God has committed to our care—our time, talents, treasure, testimony and so much more to benefit others; and our displaying loving gratitude for all that He has entrusted to us.

God’s ideal in our relationship with Him is that we develop a trust so deep that we will remain faithful to Him, even when we can’t buy or sell. (See Rev. 13:17.) But this kind of faith does not come overnight. By faithfully managing what God has given us, we can be prepared, even now, for whatever comes our way. On this World Stewardship Day, we pray that we will deepen our faith and trust in God and be encouraged to become more faithful and loyal managers for Him.
