ANNOUNCEMENTS

CHURCH ANNOUNCEMENTS FOR SABBATH, SEPTEMBER 21, 2024

The theme for this third Quarter of 2024 will be ***Worship***. The Elder on Duty for the month of **September is Elder Frederick Wallace**.

Our Central Air System is in desperate need of an upgrade. Please support us with your contributions and pledges for purchasing our new Central Air System. As we seek to spread the gospel, having a comfortable and inviting environment is vital for our ministry. We invite you to partner with us in this *“adventure in faith”* initiative by giving a one-time donation or by pledging to give regularly for this purpose.

Did you know that there is an option to return your Tithe & Offering by Online Bank Transfer directly to our Church Bank account? Giving by this means is not only more secure but also allows our Treasury team to have more time to worship in Sabbath services. Should you choose this method of giving please remember to provide our Treasurer with a detailed breakdown via cell phone (456- 0085) of how funds are to be applied. See the flyer attached with banking details.

We encourage you to continue giving your gifts for the Pantry of non-perishable food items or monetary donations to help the less fortunate. Also, please bring gently used or new clothing and shoes to assist those in need.

Those persons requiring transportation to the church on Sabbaths are invited to make contact with Bro. Kaven Allen (Head Deacon) by Thursday evening at the latest to make arrangements.

We encourage all parents of children ages 0-14 to please complete the Bethany CHAM Information Sheet so that we can have proper documentation for our Bethany Children. Please scan the QR Code to access the form.

MEN’S MINISTRIES

Join our Men in Blue this month as they shine a light on prostate cancer, one of the most common but treatable cancers affecting men in The Bahamas. Early detection is key, and awareness can save lives. Throughout September, our Men in Blue will share vital information and resources to help you understand the risks, symptoms, and screening options. Let's come together to support those battling prostate cancer and spread the word about the importance of seeing your healthcare provider for regular check-ups.
